Continuation of Substance of Interview including description of the general nature of what was discussed: As requested by Mr. Proscia, the examiner has held off on processing the after final of 9/7/06, due to the indicated problem with the TD submitted therewith, for which applicants were working on providing a corrected terminal disclaimer. The examiner has checked the file, and finds that the terminal disclaimer submitted 9/14/2006 has been scanned into the file, but is awaiting processing by the paralegals. When the paralegal's analysis has been received, the after final as a whole will be processed, which is generally within approximately 1-2 business days from docketing. An equivalent message was left on Mr. Proscia's answering machine..
